

**REMARKS**

Claim 5 having been amended and Claim 11 cancelled without prejudice, Claims 1-10 and 12 now remain in this application.

Applicants note with appreciation the Examiner's indication of allowable subject matter in Claim 5 and Claims 1-4, 6-10 and 12. Therefore, to expedite allowance of this application, Claim 5 has been amended and Claim 11 cancelled.

Applicants respectfully submit that the amendment of Claim 5 and the cancellation of Claim 11 has been made in good faith, that no new matter has been added and that Claims 1-10 and 12 are now in proper form for allowance.

**Claim Objection**

Claim 5 has been objected to because at line 2 of Claim 5, it appears a word is missing after "outwardly".

Applicants respectfully submit that the amendment of Claim 5 has been made to clarify "outwardly" consistent with the recitation of "outwardly concave" at line 4 of Claim 5.

**§102; Henderson**

Claim 11 has been rejected under 35 U.S.C. §102(b) as being anticipated by U.S. Patent No. 5,801,055 to Henderson.

Applicants respectfully submit that the rejection is no longer applicable based on the cancellation of Claim 11.

Reconsideration and withdrawal of the rejection is respectfully requested.

Conclusion

Applicants respectfully request that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

Date: April 7, 2005
